Why did you join L2B?

MASA joined L2B in 2019 as we were looking at expanding into new works and tenders.

How do you use L2B for your business?

We use L2B for business by searching for our keywords. L2B Daily Advisories is a great tool that we look forward to receiving every afternoon.

Recent projects?

MASA has only been with L2B for a few months, and so far we have been awarded 2 private sector projects, but we have priced projects and tenders all over SA and are proud that we have made many contacts along the way in such a short space of time.
Another proud accomplishment is that we are Level 1 BBBEE, 100% Black Female owned.

Life Philosophy?

"I owe my success to having listened respectfully to the very best advice, and then going away and doing the exact opposite."
- G K Chesterton
