

Sue Eagleton **New Business Development Manager**

About Me:

I have been in the industry for over 25 years. I am passionate about the industry. I thrive on driving change and sustainability across all spheres of our industry and enjoy collaborating with the various stakeholders in our industry.

Company Description :

Verni - Speciality Construction Products are material manufacturers. Our core focus is going to be driving industrial, commercial and residential flooring and high quality products through innovation.

Why did you join L2B?

We joined because L2B is a platform of information like no other, their website is easy to use, it helps us stay up to date on projects and is useful in helping us manage our sales team.

How do you use L2B for your business?

We earmark projects that could use our exclusive products and aim to assist professional in specifications from the design stage.

Recent projects?

Verni has a combined experience of over 100 years, we have completed many turnkey and hugely successful projects.

Favourite thing about the construction industry?

New product development with the latest technologies being offered to the market.

To finish:

I am an energiser bunny and everything I do is at 100mph!
