

A Farewell message from Christine Smith, Client Liaison Officer at Leads 2 Business
I would like to take a moment to say Goodbye to one of our longstanding Clients, **Charmagne Denny from JG Afrika.**

Congratulations on all your accomplishments and contributions in the industry and for the next chapter in your life.

My first visit to you, I can remember so clearly as if it was yesterday. At first I thought "Charmagne" "What an unusual way to spell your name," but I soon realised it's just as unique as yourself!

As we walked into the boardroom you started questioning me as if I was there for an interview, "Who are you?", "Where do you come from?" "Why are you with Leads 2 Business?" But I think the interview went well and I managed to win you over, as you did me.

You have touched so many hearts here at Leads 2 Business with your amazing stories from your "not so great taste in colour," painting your house, holiday stories, work-related stories to my personal favourite, Spaghetti Love Story!

We often get clients that say thank you to us, but I really wanted to say **Thank You** for being one of the most interesting, lively and positive clients. Ever.

Not only will Leads 2 Business miss you dearly, but the industry will also most definitely miss your great insight and knowledge too.
Wishing you all the best with your next new chapter in life. I am sure there are yet a million more stories to follow...
