

## **Davin Giles - Managing Director Afrimat North Cluster (Gauteng, KZN & Free State)**

### **About Me:**

I am a Civil Engineer by trade and started off in construction, working on interesting projects both locally and abroad, and these include the upgrade to the Table Mountain Aerial Cableway, The V&A Yacht Basin and the HIDD Port Project in Bahrain.

### **Company Description?**

Afrimat Limited is an open-pit mining company providing construction materials and industrial minerals. **Our North Cluster operates in Gauteng, KwaZulu-Natal, and the Free State** with a focus on aggregates, concrete based products and industrial minerals.

### **How do you make use of L2B?**

We utilise L2B to research new tenders and procurement opportunities in South Africa – specifically in Gauteng, KwaZulu-Natal and Free State.

### **Recent Awards/Projects?**

**Sunday Times Top 100 Awards** - Between 2014 – 2017, Afrimat has featured as a top 10 company of the Sunday Times Top 100 awards.

**Thomas Nhlapo Primary School project** - This is a farm school situated in Daleside with 700 learners. Site development and building plans were submitted late in 2017. Approval was received in September 2019. Construction began shortly thereafter with 16 local jobs being created. The official handover of the new blocks was on 5 February 2020.

### **Favourite Thing about the Construction Industry?**

Once you become part of the construction industry it remains in your blood. A dynamic and changing industry made up of interesting characters and projects that keep us all challenged.
