

Lungile Nyembe-Cibi Bazobona Group Director

About Me:

I am a young, black female that came from humble beginnings who one day took a brave step in entering a male-dominated industry. I have more than 15 years of experience in this industry and still learning. I am an optimistic person who is self-motivated, sociable, enthusiastic with lots of energy and stamina.

Company Description :

Bazobona Group is a group of interrelated companies comprising of Bazobona engineering, Bazobona Supply Chain Management. Bazobona is 100% Black Female Owned with a B-BBEE Level 1 score card. We offer services and supply products to the Civil Engineering, Mining and Construction industry. Bazobona aims to offer products and service where quality, efficiency and value are key fundamentals.

How do you make use of L2B?

We joined L2B because it was also part our strategy to grow Bazobona. We wanted to identify opportunities at first hand. We also didn't want to miss any of the opportunities by getting business leads that are relevant to our field of expertise. L2B has been an extremely reliable source of information . We also appreciate being regularly updated on construction news.

Recent Awards/Projects?

It has been an accomplishment for Bazobona to also be involved in supplying numbers of projects, to name a few:

- BRT Inanda Arterial - Marbleray Drive
- New Trunk Sewer -Isibaya Precinct
- Vusi Mzimela (Bellair) Road Upgrade
- Rockview Road Repair Works
- Mondli Landfill- Cell 5 Project

Something Lighthearted?

I am very humorous. I'm extremely scared of bees/wasps.
