

FEATURED COMPANY

Afrimat- Qwa Qwa Quarry

Business Overview :

The **Afrimat Dolerite Mine at Qwa Qwa** in the Free State has earned a reputation for producing some of the highest specification road and asphalt stone in the country and is a trusted supplier of quality materials for the construction industry.

Infrastructure projects collaborated on :

Some of the infrastructure projects we have proudly collaborated on, include:

- The N3 & N5 Highways in the Free State area (SANRAL project partnership),
- Supplying high specification products to the local Sterkfontein Water Works, and
- Supplying affordable products to local RDP Housing initiatives.

Construction projects:

We are actively involved with construction projects ranging from housing and warehousing to large factories. The Qwa Qwa Quarry can meet the most stringent demand-on-volume while ensuring the supply of high-quality products.

ASPASA Showplace Recognition

Over the years, Afrimat Qwa Qwa has won numerous awards from the Aggregate and Sand Producers Association of Southern Africa (ASPASA) for Health and Safety and Environmental Compliance.

We Value Excellence

We value our employees, respect the environment, and conduct business in the atmosphere of joy and positivity.

Our customers at the Qwa Qwa Quarry consistently commend us for excellent service and our willingness to go the extra mile.

That is why we stand proud as one of the best mines in the industry.
