**Give us insight into your day to day?** Providing technical support to staff and clients. Ensuring the smooth running of all technologies hosted in our data-center. Each day provides new challenges which keeps me on my toes.

**What do you enjoy most about your job?** I enjoy problem solving and this role has me constantly learning and finding ways to improve and progress.

**What is the best career lesson you've learned so far?** Work until the work is done.

**What is your biggest achievement to date?** My biggest achievement is my family, I am a very proud father of three children and husband to a beautiful wife.

**Highlights from your time with L2B so far ?** Highlights from L2B has to be the hunting and fishing trips.

**Three words to best describe you:** Honest, Ethical & Conscientious

**How do you define success?** I don't know the key to success, but the key to failure is trying to please everybody.

**What gets you out of bed in the morning?** The opportunity to learn something new and the puppy whining to go outside.

**What do you like to do when you aren't working?** Watching my kids playing sport on weekends.

**What's something most people don't know about you?** I love fiddling with small motors and engines, always been a hobby of mine.

**What's the most interesting trend you see today?** Artificial Intelligence, or AI, continues to be one of my favourite technology trends because of it's impact on how we live, work and play.

**Do you have a favorite website/blog/app?** YouTube

**How do you balance your career and family?** I realised that there will always be times that I will have to let work or family take priority. It would be impossible to perfectly balance everything in your life at all times.

**Favourite song:** Ice Ice Baby – Vanilla Ice

**Favourite movie:** The Boondock Saints

**What did 2020 teach you?** We have to agree that we are learning a new way of life which will become the new norm.
