Reinforcing Steel Contractors

Gordon Patrick - Business Development Executive

About Me :

I have worked in the Reinforcing Steel and Weldmesh Industry for close on 40 years and I still enjoy every day. I enjoy cycling, both Road and Mountain biking. My favourite race is the Argus, now the Cape Town Cycle Tour.

Company Description :

We are Reinforcing Steel Contractors, Sales and Marketing, Securing rebar and weldmesh and servicing the emerging market.

When did you join L2B and Why?

We joined L2B in 2018, for the purpose of obtaining information on new developments, as well as the status and awards of contracts around the country.

How do you make use of L2B?

We make use of the Information provided on contractors quoting for /Engineers /Architects /Developers.

Recent Awards/Projects?

ACSA Head Office, 3100 tons at Olivier Tambo Airport.

Favourite thing about the Construction Industry?

In the Reinforcing Steel industry there is never a dull moment and every day is different.
