SDM Asset Management & Consulting

Kobus Van Zyl - Head of Infrastructure and Facilities Management

Company description:

SDM AMC is an asset management and consulting company with infrastructure management as one of its capabilities. We assess the condition of infrastructure and propose solutions to keep it in pristine condition including complying with OHS legislation.

When and Why have you joined L2B?

We joined L2B in March 2021 as part of expanding our networking base and being aware of business opportunities in the market.

What do you use L2B for?

We use L2B primarily for networking and business development. We also use L2B services for Tender Leads in the Public and Private Sector.

Any recent projects or Awards?

We have a few projects that we are currently working on especially in the municipality space.

Favourite thing about working in the Construction Industry?

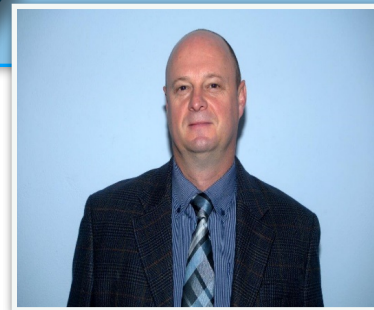

The dynamic and challenging environment.

Life Philosophy:

Two things define you, your patience when you have nothing and your attitude when you have everything.

Something Light-hearted to finish:

What do you call a snake that loves building houses? A Boa constructor.
