

# NADINE VERMEULEN

LEADS 2 QUOTES ASSISTANT

**How long have you been with L2B?** I started working at L2B in October 2014 in the Leads 2 Quotes Department.

**Give us insight into your day to day?** I always start the day with a good cup of coffee while checking my emails. With caffeine in the system, I start working through the Daily Tender Bill Requests, requesting BoQ's and following up on obtaining requests that I have already requested. When needed, I also assist main contractors in converting, trading and uploading bills onto their L2Q platform for pricing.

**What do you enjoy most about your job?** I enjoy sourcing information for our subscribers, being able to obtain BoQ's and any other relevant documentation. I also love being able to assist other colleagues should they require help, but mostly I enjoy working with all the amazing staff.

**What is the best career lesson you've learned so far?** If you love your job and love what you do, it won't feel like a job but a home away from home. Always strive to better yourself and never give up.

**What is your biggest achievement to date?** My biggest achievement is without a doubt my 2 beautiful kids.

**Highlights from your time at L2B so far?** The Year End Functions are always something to look forward to.

**Three words to best describe you:** Loyal, Hard-working and Caring

**How do you define success?** Success is what you make of it not just in the work environment, but in your personal life as well.

**What do you like to do when you aren't working?** Spending time with my family. Family means everything to me and life can be taken for granted too quickly, so I enjoy spending the time that is given to me to it's fullest.

**What's something most people don't know about you?** I studied Wedding Consulting when I finished school; I was in the Top 5 for the face of Fashion in KwaZulu-Natal when I was 19. I also have this unexplained fear of flying ants.

**Do you have a favorite website/blog/app?** Pinterest

**Favourite song:** Sound of Silence by Disturbed, Bridge over troubled water by Simon and Garfunkel

**What did 2020 teach you?** Never take life for granted, life is short, appreciate the little things in life.
