

**FEATURED COMPANY
SUBSCRIBER**

Company name: Poly Sales Africa t/a Polyflor SA

Products offered:

Vinyl flooring and wall protection solutions

Industries you market to:

Healthcare, Education, Retail, Housing, Hospitality, Commercial, Leisure, Pharmaceutical, Electronics & IT, Transport.

What makes your products unique?

In a nutshell, we implemented a unique service offering in the market which cannot be matched. Although our products are undoubtedly of the highest standards and quality, this service offering makes such a difference to an industry where craftsmanship and skill is still so lacking.

List of project/s where your products have been used:

Healthcare: Netcare Alberton Hospital, Alberton, Mmamethlake Hospital, Hammanskraal, Bethal Hospital.

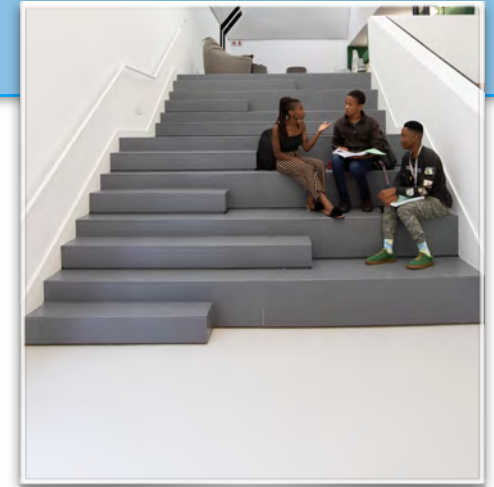

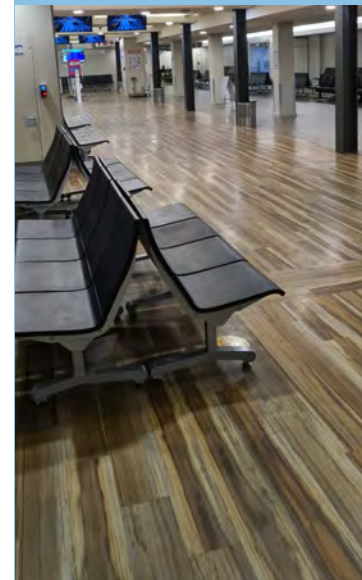

Education: Curro Durbanville, University of the Free State, Summerfield Park Retirement Village.

Where do you have Branches?

South Africa - all major centres, Namibia, Nigeria. Our Africa team looks after Lesotho, Swaziland, Botswana, Zimbabwe, Mozambique, Angola, Malawi, Tanzania, Uganda, Rwanda, Burundi, Kenya, DRC, Rep of Congo.

Company/product statement:

To give you a better idea of who we are, Polyflor South Africa is a wholly owned South African business specialising in vinyl flooring and wall protection solutions, and humbled to be celebrating our 30th birthday this year. With a rich heritage in vinyl flooring dating back to the early 1900s, we are a well established, authentic and ethical team who take our business, craft, customers and staff very seriously. Our team are driven by a unique service methodology, clear objectives, solid family values, a united goal and a harmonious culture of accountability.
