# Phumulani Group (Pty) Ltd

## Brief Company History

Phumulani Selby Buthulezi started this company in 2016, and in 2019 partnered up with Alfreda Penn.

The company strives to make a difference in the communities we work in through delivering the best Civil services possible. We might be a small company, but implemented a professional infrastructure assisting all our Contractors. Through this structure, we guarantee work in progress for each project from start to finish, which entails photos, reports and a support system involving all relevant parties involved.

Our clients, as well as our employees remain our main focus with a high standard of Occupational Health and Safety being applied on all our sites. Phumulani Group is fully Occupational and Health compliant.

## Services

General Mowing, Cleaning of Storm water drains and Channels for Routine Road Maintenance Projects, Construction of Drains, Channels and V-Drains, Litter Collection, Guard Rail Repairs, Kerbs and Channels, Fencing - New Installation and Repairs, Water Pipe Lines - Bulk and Reticulation, Stone Pitching, Earthworks, Tar Walkways, Patching, Invasive Vegetation Control, Gabion Baskets, Paving, Slope Protection Measure, Plant Hire.

## What makes Phumulani Group unique?

We are a small company that can proudly state that we can offer a 100% custom tailored administrative & costing system", insuring the contractors daily administrative challenges. We are always working towards a long and healthy working relationship with our contractors on the highest level.

## Why did you join L2B?

We joined L2B for positive exposure in dealing with the best Civil Construction Companies.

## Any recent projects or awards you are proud of?

We are very proud of of recent Contractors such as: Civils2000 - Sir Low-rays Pass Slope Rehabilitation, Baseline, H & I, Vea Road Maintantance, SANRAL Contract, Heintzman, Kew Maintance, Nenjeni Construction, Carllitz Construction
