

Tekwini Centurion Ceilings & Partitions (Pty) Ltd

About The Company

Tekwini Centurion (Pty) Ltd, was established from the need to advance and share with the people who had been the backbone of Centurion Ceilings & Partitions for many years. The result has been the consolidation of years of reputation and expertise culminating in the formation of a Company that takes care of the many needs and requirements demanded over our ever-changing industry. Tekwini Centurion Ceilings & Partitions is complimented with a 51% shareholding by PDI's and conforms to the minimum legislative requirements for sharing the industry with PDI's. Tekwini Centurion Ceilings & Partitions has a B.E.E. Score Card rating of 3. Tekwini Centurion regards adherence to the principles of Employment Equity as an imperative for the continued growth and empowerment of the Company. Our training is done internally by means of skills transfer, with artisans passing their skills to previously unskilled and unemployed individuals. Progress in achieving equity targets is regularly monitored. We are committed to the implementation of Black Economic Empowerment objectives as envisaged by the Construction Carter.

Mission Statement

The Company prides itself in having formed a nucleus of skilled people who will continue to pass on their skills, thus ensuring that future projects will reflect the high standards and quality on which the Company is founded. The Company's Mission Statement embodies all such activities that contribute these values into our industry.
