Most recent project completed:

Project: Bronkhorstbaai Water Purification Plant 800KL Concrete Clearwater Tank, Pump Station & Distribution Tower

Main Contractor : Cinderford Investments

Client: City of Tshwane

Completed : December 2022

Scope: Specialist concrete works were required due to the fact that the main structure, the 800kl concrete clearwater tank, was 6m below natural ground level and 1.5m below the existing dam level. Project was completed in December 2022 and took 7 months to complete.

When did you join L2B and which services do you use?

I joined Leads 2 Business in 2018 and we use (L2Q) Leads 2 Quotes which is an online platform used by Buyers & Estimators to send out price enquiries to their Preferred Suppliers.

An interesting construction-related fact about Coert?

I have driven most construction equipment at least once.

Life philosophy?

Knowledge is power. Sharing that knowledge is the key to unlocking that power. Teach what you know!
