# Polyflor South Africa

## About Polyflor

Polyflor is the leading supplier of premium vinyl flooring and wall protection solutions to the South African and African market. We're an established, authentic and ethical team of professionals blessed with a strong heritage steeped in flooring. We take great pride in our craft and the impact our offering has on our people and our planet. Years of experience have skilled us to help you ensure a successful outcome and we provide you with an end-to-end specialised consultative service, guaranteed to ensure the best outcome.

We're a wholly owned South African business, humbled to be celebrating over 30 years of existence. We're a well-established business blessed with an authentic, ethical and professional team who take ourselves, our business, craft and customers very seriously. Our team are driven by a unique service methodology, clear objectives, solid family values, a united goal and a harmonious culture of accountability. We are invested in the future of our business and our country.

## Services offered:

- Premium vinyl flooring and wall protection solutions

## Industries you market to:

Healthcare, Education, Commercial and Retail

## Where do you have Branches?

Nationwide with distributors in Nigeria/Ghana and Namibia

## Points of Differentiation:

Our product offering is undoubtedly of the highest standards and quality and to complement this solution offering, we provide a professional technical advisory service, honed from years of experience, which cannot be matched.
