

CPH

About CPH

CPH was founded 27 years ago; We are an engineering supply shop, catering for items from power tools, hand tools, welding supplies, LPG and industrial gas. Some of the most popular equipment and machines in our store include welding machines, power drills, air fittings and power tools.

Our slogan: Quality with Integrity in Harmony.

Renowned for offering quality equipment, service excellence, professional facilities and our knowledgeable hands-on owners and their teams are ready to assist you.

We are part of Boland Rental, who specialises in hiring equipment in the construction, agriculture and event industries.
